Venue Descriptions and Event Capacities

The Millennium Barn

The Barn was recently constructed in 2000, with weddings and large receptions in mind. Accommodating up to 150 guests for dining and dancing, it is well suited for rehearsal dinners, receptions and brunch, and assures a wonderful event regardless of weather. Exposed beams, skylights, white birch boughs, and cathedral ceilings create a classic country sophistication. Spectacular views of both the Green and Adirondack Mountains provide inspiration for the photographer and a peaceful feeling for you and your guests. The expansive deck offers a great spot to enjoy cocktails and the fresh mountain breeze. The extensive and lush lawns and beautiful garden make for a lovely stroll between the ceremony and reception, and are also a wonderful setting for your cocktail hour.

Crisanver House Dining

The Inn's dining room and conservatory accommodate up to 40 persons, making it ideal for an intimate reception, rehearsal dinner or brunch. The space is full of natural light, beautifully decorated, has a gorgeous view, and a fireplace. The deck is available for dining alfresco and cocktails.

Parking

Crisanver House provides parking for over 60 automobiles across the road from the Millennium Barn where an attendant will direct your guests.
